

Graffiti

Before

A photograph of a light-colored brick wall. The wall is covered with several large, stylized purple graffiti tags. The tags are somewhat faded and appear to be made of a thick paint or marker. The background is slightly blurred, showing some greenery and a building in the distance.

After

A photograph of the same brick wall as in the 'Before' image. The wall is now clean and free of graffiti. The brickwork is clearly visible, and the overall appearance is much more uniform and professional. The background shows a grassy area and a building, similar to the 'Before' image.
