

EMSB salutes parent volunteers

Themed "It's Your Day," the English Montreal School Board (EMSB) held its annual Volunteer Appreciation Evening on April 21. This year's Volunteers of Distinction are Scott and Cindy Day. Though the family doesn't live in Westmount, the couple is active in their children's Westmount schools. Scott currently serves as chairman for the Central Parents' Committee (CPC) and Region 3's Parents' Committee. Cindy is the chair of the Westmount High School Governing Board.
